

Littleton Track Organization Brick Campaign - Brick Order Form

The goal of the Brick Campaign is to raise funds to install a brick area between the storage shed and the track. This area is currently graveled and the equipment cannot be easily moved from the shed to the track. In addition, this area is used as a team gathering location. Having this area paved with brick will not only provide critical functionality for equipment movement, but will also be a beautiful addition that will greet athletes, users, and spectators to the track.

- Individual 4" x 8" bricks can be purchased for \$75, which includes engraving with 2 lines of print, each up to 15 characters (spaces and punctuation count as characters). A third line of up to 15 characters can be added for an additional \$25 per brick.
- A larger 8" x 8" brick can be purchased for \$200, which includes engraving of up to 5 lines, each up to 15 characters.
- All orders will be confirmed by mail with a Special Certificate, suitable for framing or presented as a gift.
- The goal is to have the area paved by the Spring 2014 track season

Please print, using ALL CAPITAL LETTERS

Brick #1 (4" x 8")

Two lines \$75 \$ _____
